## WELCOME TO THE PYRENEAN MASTIFF CLUB OF AMERICA (PMCA)

The Pyrenean Mastiff Club of America (PMCA) is the first organization in the United States of America to dedicate themselves to participate in the preservation of this great molosser breed. The PMCA has been fortunate to have the support of noted Spanish breeders who have been working for the past 25 years to keep our beloved breed strong. The PMCA is the pioneer club and official registry representing our great Spanish breed.

### Club goals:

The goal of the club is to offer support for future owners of our majestic breed, valuable information and new developments and updates regarding our breed. The standard F. C. I. that exists for our breed is supported by the PMCA. Club membership includes access to club newsletters, a breed CD/DVD of the Pyrenean Mastiff establishment in the U.S.A., and updates about merchandise offered by the PMCA.

It is hoped that with combined efforts the breed will become a strong one in this country which will help to promote longevity for the Pyrenean Mastiff in general. This magnificent giant should not be changed but valued for what it once was and still is.

Membership in the Pyrenean Mastiff Club is FREE to join. Membership is open to anyone, whether you are a Pyrenean Mastiff owner or not. To learn more about our breed and have access to updates, newsletters and club merchandise, please feel free to join our club.
